

St. Stephen & All Martyrs' CE Primary School

Governing Board – Autumn Term 2017 to Summer Term 2018

The Governors at St. Stephen & All Martyrs' are elected by the Parochial Church Council, the Local Authority, the teaching staff, non-teaching staff and parents of the school.

The Governing Board plays a key role in setting the strategic direction of the school, creating robust accountability and ensuring financial probity and works in partnership with the Head teacher, who is responsible for the day-to-day management of the school, and the Senior Leadership Team. One of the main aims of the Governing Board is to ensure the delivery of a high standard of education so all children in our care reach their full potential.

Our Governors take an active part in all areas of school life by undertaking individual roles and responsibilities, as well as having class links. We are very fortunate to have a dedicated and hard-working team of Governors who volunteer their time and expertise to help set the school's aims, objectives and policies.

The following is a list of Governors and their roles and responsibilities.
