The Draper Cup for Year 3 Tag Rugby League

Funding this year is providing an exciting opportunity for our reception children to participate in weekly skills/games sessions with an external

provider Skillwise. Using a range of specialist equipment they will engage and motivate our youngest children to participate and enjoy PE laying down the foundations for a life-long love of sport.

We will continue to use the expertise of Bolton Sports Development and provide curriculum and extra-curricular activities each week.

The additional funds this year will also enable our current Y5 to participate in an additional 10 week programme of Swimming lessons during the summer term prior to Y6.

Members of the school Cross-country team motivated by their participation in annual charity events want to organise a Charity Fun Run in the summer term and will work with the school council to organise the event inviting parents and grandparents along for the day.

## 2016-17

Last year we received £8,890 in support of school PE and sport. This was used in the following 3 areas:

- ✓ Intensive 10 week Block of swimming lessons for Year 6 children which takes place in the autumn term. These children had already benefitted from a previous 10 week intensive course in year 5 during the previous year.
- ✓ The support of a Specialist Sports Teacher in liaison with feeder High School, Bolton St Catherine's Academy. Specialist coaching in a range of competitive sports takes place on a Tuesday afternoon for our older pupils In Year 5 and Year 6. This coaching then allows the children to participate in over 20 sports from a range of disciplines. These are the following competitions that the pupils will participate in during the course of 2016-17.

### Competitive Sport Timetable 2016-17:

BSCA Cup for Futsal – Year 5/6, Cup for Girls 5-A-Side Football	The Dave Kelly Cup for Goalball,
Mather Cup for Indoor Gaelic football	Harris Cup for Tag Rugby League – Year 6,
John Duffy Cup for Year 4 – Sports Hall Tag Rugby League	Cooke Shield for Year 3 – Sports Hall Tag Rugby League
Cup for Year 2 – Futsal,	
Co-op Cup for Year 4 – Futsal,	Foster Cup for Year 5/6 Tchoukball
Richardson Cup for Year 5/6 – Netball	BSCA Cup for Year 4 – 7-a-side Football
Bennett Cup for Year 4 Tchoukball,	Draper Cup for Year 3 – Tag Rugby League,
O'Grady Shield for year 4 Gaelic Football	St Lawrence Cup for Year 5/6.

Co-op Cup for Year 4 – Handball,	Jason Kerr Cup for Year 5/6 Kwik Cricket Coleman
Shield for YR 5 Tag Rugby League	Chadwick Cup for Year 5/6 – Girls and Boys Rounders

- ✓ Support from Bolton Sports Development providing specialist support for our Year 3 and 4 pupils in a range of sporting disciplines each Friday afternoon. In addition the coaches run an

after school club that is well attended. The support of the Bolton Sports Development team has also opened up opportunities for pupils to take part in activities at the local Athletics Track

## 2016-17 IMPACT STATEMENT

- Over the last 3 years the National Child Measurement Programme has identified a reduction in the number of pupils in year 6 that have been identified as obese. This is an indication of improved standards of living, participation in healthy activities and eating healthier diets.
- In the 2015-16 academic year our Pupil Voice Survey told us that 96% of pupils knew how to keep themselves healthy!
- As a result of our on-going support and encouragement for extra-curricular sport the number of children participating in clubs outside of school has increased. More of our pupils are leading healthier lives and participating in challenge and competition developing important life-long skills/attitudes for their future.

### 2016-17 Sport Activity Outside School

Sport/Club	Number of pupils participating
Football	19
Dancing	23
Swimming lessons/clubs	63
Trampolining	8
Martial Arts	29
Rounders	8
Running/Athletics	4
Dance	23
Gymnastics	7
Other sports	10
<b>Total</b>	<b>188</b>

### Assessment Data Outcomes

	Working towards Age Related Expectations (below year group expectations)	Working at Age Related Expectations
Reception	13%	87%
Year 1	6%	94%
Year 2	21%	79%
Year 3	20%	80%
Year 4	24%	76%
Year 5	23%	77%
Year 6	10%	90%

- ✓ Year 5/6 swimming programme 70% of year 6 swimming confidently and meeting national expectations.

Extra-curricular Sport participation - **100%** of Y6 pupils during 2016-17 have participated in 1 or more competitive sporting events. This was recognised at the Annual Prize Giving Assembly in July with each child receiving a trophy for their achievements.

## PE and Sport 2015-16: £8,995 Grant Income

PE and sport is an integral part of our school curriculum. Sport is taught across school and the positive values of sport are an important part of our school ethos.

Our PE coordinator is a skilled professional who has developed core provision and supports all staff. Our PE curriculum is broad and balanced. Games lessons are sport specific and include football, hockey, tag rugby, netball, athletics and tennis. Detailed schemes of work provide the progression required to develop skills in gymnastics and dance. All the children receive 2 hours of timetabled PE each week. Year 6 children received an intensive 10 week programme of swimming during the autumn term and Year 5 during the summer term. This means that they have more chance of learning to swim with confidence and are able to meet national expectations before they move onto high school.

Teaching and Support Staff have opportunities to observe the PE coordinator teaching PE. Lesson observations show that staff are capable of delivering high quality PE sessions. Children are engaged, motivated and most children demonstrate a high level of skills during the lessons.

All children are able to access our PE curriculum. Children represent our school at a local level and team level. Sporting achievements out of school are celebrated during our Weekly Merit Assembly and are shared with the whole school community.

Last year our Children participated in a wide range of sports including:

- Goalball,
- Tchoukball,
- Handball,
- Futsal,
- 5 A-side football
- Gaelic football,
- Netball
- Tag rugby
- Athletics
- Hockey
- Disability cycle racing
- Cross-country
- Swimming tournament
- Gymnastics

We work closely with a local High School who provide inter-school competitive events. Our children also take part in the Bolton Cross-country Championships. We have also involved the children in the Sainsbury Winter and Summer School Games taking teams from our older pupils to represent Bolton.

Our sport grant for year 2015-16 enabled us to provide specialist PE teachers delivering Physical Education activities, alongside class teacher, which enhances staff Professional Development. This has also had a direct

impact on the standards of Physical Education and sport skills demonstrated by pupils across the school.

Throughout the year over 100 children take part in extra-curricular activities. Every child in year 6 will have participated in a competitive sporting competition and many of them attending several.

In addition to competitive sport we also take part in the charity Sport Relief event encouraging parents and children to actively participate in sport and fitness. Last year children were introduced to the competitive sport of Boxing and helped to raise several hundred pounds in support of Sport Relief.

## **Participating in Sport and our Pupil Voice**

Our most recent Pupil Survey took place in the summer of 2015 and the response from pupils was overwhelmingly positive.

When asked the question:

“I know how to keep myself healthy.”

The response was: 85% Agreed a lot    11% Agreed                      and only 4% said they didn't Agree.

During the course of the year over 40 pupils take part in our After School Sports Club run by Bolton Sports Development. And as many as 16 pupils take part in the afterschool cross-country club. In addition to interschool competitive sports where children from Year 4-6 take part in local tournaments many of our children engage in sport outside of school hours in clubs and classes.

As a school we are passionate about encouraging the children to take part in as many sporting opportunities given to them as possible as we think this is fundamental to the advancement of both their social and physical skills along with their ability to participate in sport regularly.

We want to:

- Develop a love of sport and physical activity
- Broaden the sporting opportunities and experiences available to pupils
- Develop knowledge and skills that enable pupils to make healthy life choices now and in adulthood.
- Improve the provision of Physical Education
- Have Physical Education provision judged as Good by external monitoring

## 2014-15 PE and Sport Engagement.

Bolton Sport Development worked with over 120 children providing a wide range of sports including Paralympic goalball and disability cycling. We will continue to work with Bolton Sports Development in light of the range of expertise they are able to offer.

We are currently working in partnership with Bolton St Catherine's Academy and Bolton Sports Development who are supporting our Change 4 Life Programme and Dance curriculum.

The School Sports Funding has been used to enhance what is already a huge commitment to sport and PE:

- Qualified coaches are working with and alongside teachers in lessons. The coach enables smaller group work to be organised in order to develop even further the skills of all of the children.
- After school clubs increasing pupil participation in structured activities.
- Purchase of additional resources to support the delivery of PE

and Sport across the school.

Last year every child in the school took part in the Derian House Fun Run over £1000 for children suffering from life shortening conditions.

This is the largest amount of funding that school has ever raised for one of its charities. The children ran the final mile of 5 marathons in 5 days in support of the Headteacher.

Through participation in a wide range of sporting activities and engagement in charity fund-raising our children are more knowledgeable of health and fitness. They learn a wide range of personal skills and values from their participation in competitive sports which supports their social and emotional well-being in a variety of ways
